## From Our Pastor:

Blessed Paul VI was also insulated for a time from many of the nefarious practices that were being promoted in the Church in the name of Vatican II, but had nothing to do with the true reforms or goals of the Council at all. He did find out eventually and on June 29, 1972 he said in a public address on this Feast Day of Sts. Peter & Paul, "Through some fissure the smoke of Satan has entered the temple of God." In many places throughout the USA communion in the hand was being promoted in an undeclared schism against the true teachings of the Church and the wishes of the Pope. It was often times imposed by threats, and in an environment of sacrilege and hatred, and sometimes even violence. I remember how it was done at my home parish. The priest told us during the homily of the new practice—didn't quote the Council documents, or any doctrinal documents—and then said. "If anyone sticks their tongue out at me I will refuse them communion." By communion time the church was half empty. Rebellion against the Pope never increases unity but always causes division and distrust. (to be continued)

## REMINDER:

**National Combined Collection** and **Trinity Dome Collection** are being collected now. There are brochures/flyers in the back of Church that explains these efforts.

**Catholic Herald Subscription Renewal of \$22.00 is now due!**

Please make checks payable to St. Clement Parish. There are envelopes in the back of church, in your packet or use your own with collection marked with your name. Thank you!

## ST. CLEMENT SUMMER FEST!

Plans are underway to celebrate a Summer Fest on July 8 in the evening which will include a band and simple food and refreshments, as well as activities for the kids. We want to hold expenses down so that all can enjoy this for a minimal cost. However, we need your help in covering the band fee, plus a few other expenses. In total we need \$1,900. If you can assist in this in anyway, we need your donations turned into the parish by May 31. Please include your name with your contribution. This celebration will also be one way to thank Fr. John for his years of ministry in the parish before he leaves that following week.

*Congratulations to the 2017 Lancaster High School graduates, especially those from our parish family. We wish you well in all your future endeavors. May God's love and grace always shine upon you!*

## SMILE AND SAY CHEESE!

Lifetouch Directories will be here on June 5-10 and June 12-17 to photograph our parish members for a new directory. The photography session is free, and you receive a free 8x10 portrait and a directory just for your time. Right now we have many open times for you to get your family's photo taken! You will have the opportunity to purchase additional photographs, but you are under no obligation to do so.

To sign up online go to: <https://booknow-lifetouch.appointment-plus.com/9qnls770/> Be sure to type this in exactly! Once you get to the Lifetouch site, just follow the step by step instructions. It's very easy to schedule a time; and you can change it later if needed. You can sign up in the back of church on most weekends after Mass. You can also call me at the rectory to schedule a photography appointment. Again, we have many open slots. I'm proud to be a member of St. Clement Parish. Show your pride too by scheduling a photography session. Our directory will be incomplete without you!! So sign up soon, as June 5th is only one week away! If you have any questions or would like to assist with this project contact me at the rectory. ~ Bill

PS.... We need some volunteers to be greeters on the days of photography. Please call me if you can help with this easy task.

## ADULT EDUCATION FOR THE SUMMER

We will again be offering an adult education study during the summer as a means to enrich our faith and knowledge, and also as a means to get together as friends in Christ and enjoy one another's company. This summer we will be exploring the Gospel of St. John. This Gospel is rich in meaning on many levels, and because of its uniqueness and difference from the other Gospels, it is a treasure to explore. We will begin our study on Wednesday, June 7 after the 8:15 Mass. This is an 8 session study so it will fit perfectly into summer. For those wishing an evening session, contact Bill at the rectory.
