CONGRATULATIONS LANDON!

Our heartfelt congratulations and apology goes out to Landon Lawrence, son of Nick and Amy Budworth who received First Communion last Sunday and his name was omitted in the bulletin! Wishing you joy and peace of Jesus present in the Eucharist always!

From Our Pastor:

Last week, I listed three facts about communion in the hand that we have to have as our foundation in order to understand it. Now we will look at the most important legislation of the Church concerning the proper reception of communion: "Memoriale Domini". It is a document produced by the Vatican dicastery called, "Congregation for Divine Worship" on May 29, 1969. Even though mostly written by theologians in the dicastery, Blessed Paul VI participated in the redaction of the document and various paragraphs of it are word for word from his pen. He completely approved of the document and had it disseminated throughout the Church. The document acknowledges that for a brief time in the early history of the Church in a limited region of the Near East, communion in the hand was practiced, but the document emphasizes that it was abolished shortly thereafter in favor of the practice that has perdured in the Church for more than 1,500 years, receiving the Eucharist kneeling and on the tongue. Then Blessed Paul VI sent a questionnaire to all of the Bishops of the world and reports there exact votes in the document. They overwhelmingly disapproved of the practice of receiving in the hand. Then he mentions that changing the mode of reception to this new manner (in the hand) includes dangers. Here Blessed Paul VI says prophetically that these dangers, "... are a lessening of reverence toward the noble Sacrament of the altar, its profanation, or the adulteration of correct doctrine." We have seen all of these over and over again as the practice of communion in the hand has proliferated. (to be continued)

FAMILY PROMISE: Our Host Week Is Here!

Our week to host families with children who are homeless begins this weekend with families arriving on Sunday afternoon, May 7, and leaving next Sunday morning on May 14. As of this writing there is one family in the program, but we may have more coming in during our week. Here's a few reminders.....

- ◆ **We will be calling those who have volunteered** a few days prior as a reminder of what you signed up for and to pass along pertinent info such as number of people we are serving, what door to enter, where to drop off food and so forth.
- ◆ **As a reminder, please do not bring in food items for breakfast or lunch unless we call you.** I will be contacting some of you throughout the week for certain items, but I will not be calling everyone as we have about 40 people who signed up to assist with this.
- ◆ **Thank you to everyone who will be helping in any way** to serve families this week! Most of our needs are filled but we do have a few opportunities for service. If you are able to help but have not signed up, please give me a call.
- ◆ **Please pray** for the families whom we will be serving, for the volunteers and for Family Promise of Grant County. Fill us Lord with a spirit of generosity, kindness and compassion.

If you have any questions please give me a call at 723-4990. ~ Bill

SIGN UP NOW FOR OUR NEW PARISH PICTORIAL DIRECTORY!

Can you believe that almost 9 years have passed since our last directory? A lot has changed since then with many new faces in our parish. I know I get asked often, "Who is that new family that is at 5:00 Mass and sits over there?" or the like. Lifetouch Directories will be here on June 5-10, and then again on June 12-17 to photograph our parish members for a new directory. The photography session is free, and you receive a free 8x10 portrait and a directory just for your time. You will have the opportunity to purchase additional photographs, but you are under no obligation to do so.

To sign up online go to: <https://booknow-lifetouch.appointment-plus.com/9qnl5770/> Once you get to the Lifetouch site, just follow the step by step instructions. It's very easy to schedule a time; and you can always change it later if needed. There will also be the opportunity to sign up in the back of church on most weekends after Mass. You can also call me at the rectory to schedule a photography session. Personally I am very proud to be a member of this parish. I know you are too. So let's all sign up as a way to get to know each other better! If you have any questions or would like to assist with this project contact me at the rectory. ~ Bill
