The Usher Schedule above runs through September 30, 2013. Usher **Captains**, some of you have been assigned to usher on Holy Days and Special Days; that schedule is on the back of this page. If you cannot serve as an Usher Captain for these special times, please find someone to replace you. **We need someone to captain the usher "team" for Ash Wednesday morning's Mass. If you know that this is the Mass you normally attend, and can help out, please give me a call so that we know that this is covered.**

With the change to going to only one Mass on Sunday mornings, I have combined the previous two teams into one larger team for the 9:30 service. Most of the teams on Sunday now have two captains. Please let me know if I should remove anyone from the usher schedule so that I can keep it current. I have sent this schedule only to you who are captains. I will put copies of it in the usher room for the other ushers to pick up, if they so choose.

With Fr. Bill's retirement in June, we may see the Mass times change in the future, and maybe we won't. We will have to just wait and see.

Thank you so much for your cooperation in ministering to the people of our parish, as well to those who are worshipping with us from out of town! I know at times you have some extra things to do which are thrown at you at the last minute, as well as having to find ushers to help you sometimes too. Thank you so much for going with the flow! You do a great job helping each Mass go smoothly. You are a blessing to us all. ~Bill

### IMPORTANT DATA TO FOLLOW

- Please be at church **about 15 minutes** before Mass begins.
- Report to your captain.
- Greet people as they arrive.
- Keep inside wooden doors closed. It keeps out noise, not to mention heat and cold.
- Once Mass begins, please go inside the church and participate in the Mass.
- At Offertory, take up the collection. If there are no Gift Bearers, please bring up to the altar the bread, wine, rose and the collection. Put the collection in front of the altar.
- **After Mass, put the collection in the safe in the sacristy.**
- Also, pick up hymnals, put up kneelers and turn out lights.
- Dress Attire: **Please dress appropriately for the ministry you are doing.**
- **When a weekend splits between two different months**, ie. June 30<sup>th</sup> is on a Saturday and July 1<sup>st</sup> is Sunday, the June usher team should do the Saturday Mass and the July teams the Sunday Masses. So basically, just follow the monthly calendar.
- **ENCOURAGE OTHERS TO JOIN YOU IN THIS IMPORTANT MINISTRY.**
- **THANK YOU FOR SERVING OUR PARISH IN ALL THAT YOU DO!!!!!!!!!!**
